ABOUT NIIGATA CAMP

- A fun environment for all levels
- Tennis tournament with prizes!
- International and professional coaches
- Making new friends from different schools

With over 10 years of experience, our tennis camps have become well-known for juniors of all levels to enjoy a fun environment and improve their tennis. Open to all levels from competitive high schoolers who get the opportunity to train with high level players as well as for beginners who are just learning to enjoy the game. The 7 day camp will include lessons, match play, fitness and also fun activities! Students join from multiple international schools in the Kanto area making new friends along the way. Our coaching staff includes certified experienced coaches, professional players and International school and university tennis alumni.
